

Life Path by Design^{LLC}
cultivating potential in peopleTM

Linda Drevenstedt | Life Coach | Speaker | Author

Linda's Short Bio

Linda Drevenstedt has been a coach and consultant for over 20 years. Linda nurtures, explores, and seeks life's "aha" moments, challenging her audiences and coaching clients to cultivate their greatest potential. Her experience and knowledge resonate with those looking to whittle away the barriers and unlock their own charmed life, whether seeking personal growth, professional leadership development, or reimagining their retirement.

Holding a master's degree in Health Care Administration and a Bachelor of Science degree in Business Management, Linda values the personal and professional growth that comes from lifelong learning. In addition to her University degrees, Linda is a Target Training International Certified trainer, Talent SmartTM Emotional Intelligence Trainer, Everything DiSC[®] authorized partner, Master Life and Success Coach, Master NeuroLinguistic Programming Practitioner, Master TIME TechniquesTM Coach, and Living Purpose Institute Coaching Graduate.

She has co-authored two books and authored nine practice management manuals, webinars and eBooks for dental practice management. Linda's most recent book, "Life Path by Design – Coach Yourself to Your Own Charmed Life" is currently 5-star rated on Amazon.

Rave Reviews

"WOW! Fabulous. I cannot adequately express just how much I appreciate Linda's speaking efforts in words. I know how hard it was to place so much material in such a short presentation, but she managed it beautifully."

— Dr. Dale Kennedy, American Academy of Dental Practice Administration

"Energetic and full of enthusiasm ... relevant, practical content keeps the audience engaged. Linda is a true professional, very organized and very easy to work with. I definitely recommend her."

— Dr. Bruce Justman, American Association of Endodontists

"Good mix of participation and information covered all material in Handout. Energetic and fun."

— Marshall Myers, Tucker, GA

"Energetic, easy to listen to. Great responses. I've already started planning time to implement new ideas we learned."

— Amanda Conti, Kennesaw, GA
